Subject: Letter of Appreciation for Ek Ehsaas- Motivational Academy and Marhamm

Dear Mrs.Reena Charles

It was indeed a wonderful experience for my organization to take your services under EK EHSAAAS MOTIVATIONAL ACADEMY for myself and my staff members. Our Staff members were left motivated, inspired and positive after your workshops.

I would also like to congratulate you on your commendable work in the area of healing people under MARHAMM. As in today's world we talk about mental and emotional health of people, i am glad your organization is working towards the same and creating magic in the lives of people.

I wish you and Ek Ehsaas Foundation best of luck for your future endeavours. I hope you will continue to provide such extra ordinary services.
