Subject: Letter of Appreciation for EEF's Programmes

Dear Mrs. Reena Charles,
Heartiest Greetings,

It was a heart-warming experience indeed for me to visit Ek Ehsaas Foundation (EEF) and to be acquainted about the wonderful work achieved by it in numerous fields in just three years since its inception.

Apart from the noble initiative Philomena's Paradise located along the Delhi-UP border, wherein you have provided shelter to the destitute elderly, I was also impressed by EEF's other remarkable projects that are all aimed at making a difference to the needy around us.

I specially refer to the Marhamm project which is now reaching out to individuals who are facing emotional and spiritual crises and are in the dire need of counselling and healing services. The ongoing pandemic has shown exactly how vulnerable we all can be in the face of difficult times and your project deserves to be scaled up to be able to transform the lives of so many who need your help in their weak moments.

Wishing you and EEF magnificent success and all possible support that I can extend.

Yours sincerely,

Dr. Anabel Benjamin Bara
